

# **“Super Power or Super Plague?”**

**Saturday, May 11, 2024, 6:00 PM**

**\$30 per person for dinner and program**

**Professor Alberto Rodriguez, chair of the Electrical Engineering Department at Madison College, will share how he discovered that his super power was really a super plague and how that discovery changed his life.**

***We will also hear from Areli Estrada, Executive Director of Affordable Dental Care, about how that organization serves the less fortunate Dane County residents by the delivery of quality dental care.***

**Dahmen’s at Hawks  
Landing  
88 Hawks Landing Circle  
Verona, Wisconsin  
Free parking**

**Prepaid reservations are appreciated by Monday, May 6<sup>th</sup>**

Please mail your check (payable to **Madison Area Stonecroft Ministries**) with this form to: Don Tuscany, 1804 Dover Drive, Waunakee, WI 53597
